Dear Senator:

In reference to your inquiry on CITIZENS FOR REPRESENTATIVE GOVERNMENT, I have enclosed a copy of their notice of organization.

As of the above date they have not filed any finance reports with this office, which are required by RIGL 17-28-10 (b), and are now in non-compliance with that law in which the reporting requirements were explained on the date of organization, October 30, 1996.

Very truly yours,

Henry A. Johnson
Chief Auditor
