RE: Citizens for Representative Government

Dear Secretary Langevin,

Pursuant to our recent meeting, enclosed is the Notice of Organization filed with the Board of Elections by an alleged corporate entity that undertook a public campaign with reference to Referendum Question #8.

Since your office has indicated that no such corporation is on file with your office, I would appreciate your review of this issue to determine the legal implications of this occurrence.

Thank you for your continued cooperation.

Sincerely,

Marc A. Cote
