They are putting us behind. I am going to start going forward with everything else that needs to be done at this point. I will send you the revised language once I get it.

Hi Mike,

Can you please pull the language we provided you this afternoon for the voter handbook --the committee has their last meeting tomorrow and will approve the final language for print?

Can you confirm this has been done?

Thankyou- much appreciated.

Lynne,
Are we on schedule for language to be submitted to us today at 4pm?
